INDEPENDENT AUDITORS' REPORT

To

The Trustee of EBL First Mutual Fund

Report on the Audit of the Financial Statements

Qualified Opinion:

We have audited the financial statements of **EBL First Mutual Fund**, which comprise the statement of financial position as at June 30, 2024 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at June 30, 2024 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Qualified Opinion:

- a. Investment in equity of Padma Bank PLC carried since 2013 which is a non-listed public limited banking company. The cost of investment was BDT 44,722,223 against 3,500,000 shares (Average cost per share BDT 12.78) and fair value shown as same price which is described in note no. 4.2(iii) & 6.02 of notes to the financial statements. No dividend was received from this investment since 2021 even we did not get the audit report of Padma Bank PLC. Management has not maintained any provision to reflect its fair value which could reduce the NAV and EPU (Earnings Per Unit) of this fund.
- b. The fund has an equity investment in Multi Securities and Services Limited (Broker House) which has been carried since 2016. The cost of investment was BDT 32,075,512 against 1,898,521 shares (Average cost per share BDT 16.89) and fair value shown as same price which is described in note no. 4.2(iii) & 6.02 of notes to the financial statements. Multi Securities and Services Limited (MSSL) incurred a significant loss during the year 2023 compared to the previous year and no dividend was declared for the year 2023. NAV of MSSL as per the audit report for the year ended 2023 was BDT 14.37. Moreover, we did not get the audit report of Multi Securities and Services Limited (Broker House) for the year ended 2024. Fair value reported of this investment is not justified.
- c. i) As per Rule 40 & 41 of Bangladesh Securities and Exchange Commission (Mutual Fund) Bidhimala (Rules) 2001, Mutual Funds Assets should be kept under the custody of the Fund's Custodian. But we found Best Holding's 492,308 share certificate (share certificate regarding 96,525 shares were not found) at the office of the custodian while physical verification of certificates and other original documents on 18 August 2024.
ii) We obtained direct confirmation from Best Holding Ltd. regarding the holding position on 30 June 2023 & 30 June 2024 where the number of shares stated 588,833. But 492,308 shares were shown in last year's audit report.
iii) Additionally, as per BSEC letter BSEC/CI/BB-24/2022/1524 dated November 29, 2023 and resolution of the Trustee Meeting, Best Holding's shares shall be converted as per issue price under book building method. Accordingly, the total number of shares were supposed to be received 914,286 but only 588,833 shares were received by the fund.
- d. The income of the Fund is exempted from Income Tax under Act No. 12 of 2023, as published in the Bangladesh Gazette and approved by the President of the People's Republic of Bangladesh on June 22, 2023. But BDT 10,213,904 has been reported as AIT in the financial statements.

We conducted our audit in accordance with the International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

We draw attention to the following facts without modifying our opinion:

- a. The fund has investment in Regent Spinning Mills Corporate Bond-2015. Accrued interest which was charged in earlier years has been carried forward during the year. Provision for impairment has been maintained from previous year @20% per year against this investment. Management has disclosed it in note no. 4.2(iv) & 6.03 of notes to the financial statements. Management of the fund and trustee of the bond has been working to recover accrued interest and principal amount.
- b. We draw attention to the note 3.2 regarding the trial balance. Financial statements have been prepared based on the ledgers and other supporting documents.
- c. In some cases, the investment parameter was not followed while making investment in particular share & sector. Which is a non-compliance of trust deed and Rule 56 of Bangladesh Securities and Exchange Commission (Mutual Fund) Rules 2001.
- d. As per Rule 69 & 72 of Bangladesh Securities and Exchange Commission (Mutual Fund) Bidhimala (Rules) 2001, Annual Report shall be prepared, published and submitted to the commission but it was not complied.
- e. Best holdings share was found at Multi Securities and Services DP's on 30 June 2024 instead of custodian's DP. Though subsequently transferred this share to custodian's DP.
- f. Bangladesh Securities and Exchange Commission has issued some letters regarding matters and Bangladesh Financial Intelligence Unit (BFIU) of Bangladesh Bank has issued a letter for freezing bank account of the company and its managed funds (Ref. BFIU/(monitoring 2)/CMI/04/2024-1009 dated June 10, 2024). Trading of securities was suspended, and bank accounts were frozen for some irregularities as per the said letters. However, the Honorable High Court has stayed the above orders on 19 August 2024 for six months.
- g. The financial statements have been authorized for issue on 12 September 2024 which was signed by us on 17 October 2024. We could not know whether any subsequent events occurred during the period from 13 September 2024 to 17 October 2024.
- h. Some cheques were issued for expenses which were not provided to the respective parties as the bank account was frozen. As a result, we could not cheque bank reconciliation items in the subsequent period.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. <p>During the financial year the fund has reported BDT 40,547,858 as dividend income from investments. It represents 93.89% of total income.</p> <p>Therefore, it has been considered a key audit area.</p>	<p>We obtained an understanding, evaluated the recognition procedures and tested the operational effectiveness of the dividend reported by the Fund. Other Information:

The Asset Management Company (AMC) is responsible for the other information. The other information comprises all of the information in the Annual report other than the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditor's report. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appeared to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

The Asset Management Company (AMC) is responsible for the preparation and fair presentation of the financial statements in accordance with IASs, IFRSs, Bangladesh Securities and Exchange Commission (Mutual Fund) Rules 2001 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 require the Management to ensure effective internal audit, internal control and risk management functions of the Fund.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related

disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Bangladesh Securities and Exchange Commission (Mutual Fund) Rules 2001, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of accounts as required by law have been kept by the Fund so far as it appeared from our examination of these books;

As such the risk of outright bankruptcy is remote. This was agreed to for FY 2023 in a joint meeting of Bangladesh Securities Exchange Commission and Trustee and AMC representatives. Secondly, the Bangladesh Bank announced in 2024 that the Padma Bank Limited would be merged with the Exim Bank, which is a going concern and a listed bank, and to the best of information available publicly this deal has not been abrogated by the government. Thirdly, the investment of the fund in the Bank equity is backed by an equivalent investment by the Bank in a special purpose bankruptcy remote vehicle which will be combined (সম্বন্ধিত) in the event of bankruptcy.

(ii) Multi Securities and Services Limited: The Fund has investment in equity of private company Multi Securities and Services Limited (MSSL) which has been approved by BSEC vide letter no.
